

EXPOSING YOUR COMPANY  
FOR HOW TRULY GREAT IT IS

**Terry Cochrane and Image Group have teamed up to become a Regional Sponsor of the Canadian Breast Cancer Foundation CIBC Run for the Cure 2013.** Image Group has supplied branded products that promote awareness and prevention of the disease.

An estimated 23,800 Canadian women will be diagnosed with breast cancer this year, so it's important for Canadians to know the impact of early detection methods and how to access information and care.

As Terry says: "The Canadian Breast Cancer Foundation has made huge strides in not only research and treatment, but also in keeping the conversation active. We are pleased to do our part to support the Canadian Breast Cancer Foundation's vision of creating a future without breast cancer."
